PROFESSIONAL MICROBLADING KIT

# *Elite Microblading Academy*

founded by Bojan Jončić and Maja Lipovec, is regarded as one of the top and most experienced microblading training academies in the world. We provide professional microblading courses carried out at the highest level and all around the world. Our master trainers will guide you through your first steps in the microblading world, ensuring you leave with the best possible knowledge you can get in the beauty industry.

## *E*xtraordinary

Our course is approved and fully accredited by ABT (Associated Beauty Therapists) and is the first course to be accredited by Guild in the UK. Internationally we meet requirements of the Society of Permanent Cosmetics Professionals and the American Academy of Micro-pigmentation. The rating of our students' success is very high and we work diligently to provide a personal training experience to all students.

## *L*earning

we share information selflessly and to take care that our students truly learn everything important. Our students are one of the most successful and wanted microblading artists in the world.

## *I*nformation

Our goal is to share information selflessly and to take care that our students truly learn everything important about carrying out the method in a proper way.

## *T*raining

Classes are held in small groups, so we can dedicate ourselves to each participant in the most individual way possible

## *E*xcellence

We stock all the best products for providing the most successful microblading procedures. Our products are the best extension of your acquired skills so you can confidently deliver your best work to your clients.

## *We follow*

and introduce the latest trends in the field of eyebrow embroidery and form a coherent team that ensures the best possible results. Our satisfied students are the best proof of our professionalism and high-level training.

## *The courses*

have been structured from start to finish with you in mind. The knowledge gained assures that when you complete your training, you will leave with the specialist skills that guarantee you will feel confident to perform the microblading procedure, reassured in your choice of the academy and with a qualification that is renowned and acknowledged by your future clients.

## *We look*

towards the future at all times; we are always trying to improve ourselves and our service so we can provide our students with the best training and products available on the market. With this in mind, we have recently introduced online courses to our academy's repertoire.

## *The elite microblading*

online course is intended for all who wish to get started with their microblading career or to experienced microblading practitioners who wish to further their knowledge. The course is designed to guide the participant through the entire process step by step, with the help of our experienced trainer. The online course differs from our regular courses in that it allows you to study at your own pace from the comfort of your home. You will learn how to create a natural looking and well-defined stroke. At course completion, you will receive the final certificate of Elite microblading – a world renown and highly recommended microblading academy. This is the best foundation you can get to start your microblading career and work with clients.
